

Dear Parent/Guardian:

Stayner Minor Hockey Association (SMHA) is dedicated to the health and safety of all of our players. As such, the organization continues to implement a return to play policy for players who have sustained an injury.

Any SMHA player who is injured must submit a letter from a health care provider giving medical clearance before they will be allowed to return to play.

Copies of the "Return to Play" form are available from your team's trainer. While SMHA realizes that this procedure may seem inconvenient, please understand that the policy represents our commitment to the safety and well being of our members.
